

**ART WYNWOOD ANNOUNCES EIGHTH EDITION WITH 65 INTERNATIONAL GALLERIES
PRESENTING WORLD CLASS BLUE CHIP, MODERN AND CONTEMPORARY ARTWORK**

*Legendary Contemporary Artist Ron English to be Honored with Fifth Annual
Art Wynwood Tony Goldman Lifetime Artistic Achievement Award*

February 15 – 18, 2019

(MIAMI, FL – January 31, 2019) Art Wynwood, will return for its eighth edition at the Art Miami and CONTEXT Art Miami site at One Herald Plaza on Biscayne Bay, one of the most prestigious and well-known waterfront locations in the City of Miami. The fair will open on Thursday, February 14th with a VIP Preview benefiting the **Institute of Contemporary Art, Miami (ICA Miami)**, before opening to the public over Presidents Day Weekend, February 15th through 18th, 2019.

Since its inception in 2012, Art Wynwood has become the premier winter destination for contemporary and modern art in South Florida. The fair offers the chance to acquire the finest works from emerging talent from the contemporary market, mid-career artists, and blue-chip contemporary, post-war and modern masters, including a dynamic array of murals, pop surrealism, street art and other genres.

This year, the world-renowned **Miami Yacht Show** will debut alongside, and in partnership with, Art Wynwood at the One Herald Plaza location. The in-water display of new and pre-owned vessels will showcase the world's most extraordinary and uniquely designed yachts and superyachts from the world's foremost custom boat builders.

Last year, Art Wynwood attracted more than 25,500 prominent collectors, curators, art advisors, designers, and art aficionados from around the world, and this year, the fair will continue on the heels of the success of Art Miami and CONTEXT Art Miami to draw notable attendees to the new waterfront location. The fair will offer a diverse selection of artworks presented by over 65 galleries from more than a dozen countries, including Germany, Chile, Russia, Austria, France, the United Kingdom, Mexico, Switzerland, Colombia and the United States.

English coined the term *POPaganda* to describe his trademark fusion of high and low imagery, mixing superheroes and comic strips with art history iconography in his prolific and ubiquitous paintings, billboards, and sculptures. English has imagined a vast, and still growing, roster of characters, including *MC Supersized*, his obese fast-food mascot that was featured in the 2004 documentary *Supersize Me*, and *Abraham Obama*, a mash-up of America's 16th and 44th Presidents.
